

PITTOCK MANSION'S

# Celebration of Roses

May 22 - June 14 2026

This inaugural summer event is presented in conjunction with the 2026 Portland Rose Festival. It honors Georgiana Pittock, one of Portland's early community leaders and a founding member of the Portland Rose Society, whose vision helped inspire the Rose Festival.

Visitors are invited to tour the mansion—adorned for the first time with rose-inspired floral decorations. Discover Georgiana's lasting contributions to Portland's growth since the mid-1800s, and enjoy complimentary arts and crafts activities for children on the terrace during select weekends.
